Our Vision:

Thriving children and families.

Our Philosophy:

Learning Through Play

We offer preschool, out-of-school and playschool programs, providing a continuum of care from infant to age 12.

We are the second largest non-profit daycare centre in Edmonton, with space for 86 preschool children, 80 school-aged children spaces from kindergarten to grade 6. Offering 50 spaces at Fulton and 30 afterschool spaces at Hardisty in room 127.

We also offer a playschool program for 12 children on Tuesdays and Thursday from September to June.

Our Programming:

Staff is provided with time and resources to develop age appropriate curriculum, involving the children in developing activities and projects that reflect their interests and expand on their understanding of the world around them.

We offer opportunities to “learn through play” with fixtures such as water & sand tables, games area, dress –up corners, manipulative toys and arts and crafts corners.

Support and assistance from child care professionals helps your child continue development of self-guidance and esteem before and afterschool

Our Staff:

Are well qualified and dedicated. 83% of full time staff have obtained the highest level of Early Childhood Education, and 45% of the staff have worked at the centre for five years or longer. All our staff have their first aid.

Stay current in the field by regularly attending workshops

Our Mission:

Fulton Child Care Association nurtures, educates and support children and their families in achieving their potential.

Hardisty Afterschool Care:
