| | Semester \$26.25 |
| <p>Band (Musical Instrumentation) is a full-year option. Students choose the instrument that they will learn how to play from the concert band family which includes: flute, clarinet, saxophone, trumpet, trombone, euphonium, tuba, and percussion. Band class is a teacher-directed group lesson. During the year, students perform songs they have learned for different audiences and work with clinicians to improve their skills.</p> <p>Band Fee (covers the cost of supplying and maintaining the instrument for the school year) \$100.00</p> <p>Band Fee (if students are providing their own Instrument) \$25.00</p> <p>*Band Consumables Fee - Covers the cost of any accessories that students need such as reeds, valve oil, sheet music, Band Folio, slide grease, cork grease, etc. \$25.00</p> <p>Total Fee is Band Fee + Consumable Fee</p> | |
| Communication and Media - Students are offered a diverse array of communication and media options that cater to students' creative and technical interests. From delving into the art of Film Study, where students analyze cinematic techniques and storytelling methods in order to develop their own short film, to exploring animation, where they bring characters and stories to life through digital creation. Photography teaches students the nuances of composition and lighting, while computer graphics skills enable them to design and manipulate visuals using software tools. Additionally, audio/video production equips students with skills in filming, editing, and producing multimedia content such as podcasts and social media content, fostering a deeper understanding of media creation and communication in our digital age. This option is designed to inspire creativity but also nurture critical thinking and technical proficiency. | |
